A Note on 5-Count

5-Count rhythm is quick 4/4 time. Common variations for timing include (a) 1,2,3,4; (b) 1,2,3&4 (like cha cha); (c) 1&2, 3&4 (like triples in jive); or (d) 1&2,3,4. (We've placed the timing notes below the measure count for each figure.) Figures that we have used include common two-step figures but with a quicker tempo, some jive figures, and some cha cha figures. Depending upon how the dancers interpret the music, they may use jive action for some of the figures or not. We personally do not use the Latin toe-heel-leg-straightening action with the cha cha figures. We love the music – enjoy.
