

**Hello Fellow Dancers, Curers and Instructors,**

**As you know over the past few (15) years we have provided Membership and Cue Sheets at no cost to anyone. You may print the Cue Sheets or publish them on this web site for free. It is our intention to carry on with this policy.**

**Our cost of supporting the web site has increased a great deal. I would like to ask you to make a small donation to help offset the expenses.**

**Thank you for your time, efforts, support and help.**

**May God bless you richly,**
